BEST INSULATION FOR OLDER HOMES

THE BEST INSULATION DEPENDS ON YOUR GOALS.

- If you want permanently lower energy bills, you'll need premium insulation.

INSULATIONS RECOMMENDED FOR OLDER HOMES.

- Fiberglass batt
- Blown-in cellulose
- Dense pack cellulose
- Open cell spray foam
- Closed cell spray foam

CHOOSE YOUR INSULATION BASED ON THESE FACTORS.

- How accessible is your thermal envelope?
- Are you insulating above- or below-grade?
- Do you want lower energy bills?
