

at a glance

CLOSED CELL SPRAY FOAM INSULATION COST

- Lowest cost: \$1.15 per board foot
- Average cost: \$1.45 per board foot
- Highest cost: \$1.75 per board foot

How to find board feet: multiply square footage by depth of insulation.

- Exterior walls: 2 to 4 inches
- Basement walls: 2 to 3 inches
- Basement ceiling: 2 to 4 inches
- Attic floor or ceiling: 3 to 6 inches

How to estimate cost: multiply board feet by chosen rate per board foot.

Curious about a crawl space? Use a cost of \$4 to \$8 per square foot.
