## DOES SPRAY FOAM STOP WATER LEAKS?

### **SPRAY FOAM INSULATION IS NOT WATERPROOF.**

- Open cell has no moisture properties.
- Closed cell can create a vapor barrier.
- Neither can resolve a water leak.

### **WATER LEAKS REQUIRE WATERPROOFING SOLUTIONS.**

- Leaky roofs need a roofer.
- Leaky basements need a waterproofer.

### **ALWAYS RESOLVE WATER INTRUSIONS FIRST.**

- Home improvements follow this order:
  - Water intrusions
  - Insulation upgrades
  - HVAC changes
