## HOW MUCH DOES ATTIC INSULATION COST?

There are three types of attic insulation:

- Batt insulation
- Blown-in insulation
- Spray foam insulation

### **BATT INSULATION COST**

- Fiberglass: \$1 - \$2 per square foot

### **BLOWN-IN INSULATION COST**

- Fiberglass: \$1.67 - \$2.00 per square foot
- Cellulose: \$1.70 - \$2.30 per square foot

Price varies per square foot.

### **SPRAY FOAM INSULATION COST**

- Closed cell: \$1.15 - \$1.75 per board foot
- Open cell: \$0.25 - \$0.75 per board foot

Unlike batt and blown-in, spray foam cannot be installed DIY.
