HOW MUCH DOES BASEMENT SPRAY FOAM COST?

In Climate Zone 5, closed cell spray foam is the only option for basements.

- \$1.15 - \$1.75 per board foot

HOW TO FIND BOARD FEET

Multiply square footage by the necessary depth of insulation.

- Basement walls: 2 inches
- Basement ceiling: 3 inches

To estimate the cost of basement spray foam insulation, find your project's board feet and apply the board foot rate.
