

# at a glance

## WHAT TO KNOW FOR YOUR FIRST CALL

### **1. APPLICATION TYPE**

What are you planning to insulate?

### **2. INSULATION TYPE**

Do you want spray foam, blown-in, or batt insulation?

### **3. AREA DIMENSIONS**

What are the dimensions of the space you're insulating?

### **4. INSULATION TIMELINE**

When will the space be ready for insulation?

**All of these details can be discussed more during your free site visit.**
